At Coach Approach we are passionate in encouraging the children of Australia to 'Keep Active' with the principle aim of promoting sports participation, health and fitness education. Our programs are designed to inspire schools with some of the country's finest elite athletes. We offer a range of Sports and Health Expos, Educational Workshops, and Team Building activities, all of which can be tailored to meet a school's requirements. Especially with physical inactivity now a leading contributor to the burden of disease in Australia we hope our programs will assist in molding the habits young people form so that they become more motivated to participate in a healthy active lifestyle.

This will be a fun day for all Newlands students to take part in the Olympic Games Athletics events and promote healthy and active lifestyles as a whole school! The total cost of the program is **\$11.00 per student (including GST)**. Please complete the permission slip below and return along with payment to the school office by **Friday the 9<sup>th</sup> of September**.

Yours Sincerely,
