

## eSmart Community Engagement Program

As part of our commitment to support school communities in being safe, smart and responsible online, *The Alannah and Madeline Foundation* will be facilitating a parent seminar at:

**Newlands Primary School on Tuesday November 29<sup>th</sup> at 6:30 p.m.**

Facilitated by the experts in their eSmart Schools team, parents will be presented with all the latest trends and research about cybersafety and online behaviours. Strategies and guidelines will be discussed that relate to safe, smart and responsible uses of technology in the home.

The eSmart Schools program is a cultural change initiative developed by the Foundation in consultation with academic and industry experts. eSmart aims to create positive, respectful and inclusive cultures that reduce bullying, cyber bullying and increase cybersafety.

Please return the below R.S.V.P. form by contact Sonya O'Brien if you have any questions related to his parent information session.
