

## **2026 Important Dates**

### **BEGINNING THE SCHOOL YEAR - FOUNDATION 2026**

Students will attend school Tuesday, Wednesday, Thursday and Friday for the first few weeks of school. Over four Mondays, teachers will meet with students on an individual basis for 1 hour to complete Literacy and Numeracy assessments. Families will be emailed a time for their child's assessment at the end of Term 4. Each student will be given an allocated time to attend as a part of the assessment process. These are DET assessments that assist teachers in their classroom planning at the beginning of the year and are an opportunity for teachers and students to continue building their relationship. Parents have the option to attend this initial assessment.

We will send out a form in Term 3 asking families if their child has any friendship considerations, they would like us to take into account. When making 2026 class lists, we will consider these friendship considerations, kindergartens and information gathered during our transition program in 2025.

Families will be informed of their child's classroom teacher by the end of 2025.
